

ASHLEY
4/28/1994

Ashley is 13 years old. She enjoys coloring, stickers, being in the water, watching television, shopping and painting her nails. Ashley is artistic and crafty. She enjoys journaling. Ashley loves hugs and is very inquisitive.

Ashley finds it difficult to pay attention to something for very long and needs a lot of attention. Ashley is a sweet girl who is very loveable though she has a lot of anger that often comes out at unexpected times. Ashley loves school and is an A student. She is currently transitioning into mainstream classes. Ashley demands instant attention and can get very angry and aggressive if she does not get that attention.

Ashley is very sad that she cannot live with her mother and is a little scared about being adopted. Ashley's mother was adopted so Ashley knows that being adopted means that she will not see her mom again. Ashley has been moved many times and is scared to trust that she will not move again. Ashley is able to get to know people and form connections though her nervousness sometimes gets in the way. Ashley needs a home without younger children and would love to have a purple bedroom. Ashley does have a brother and grandparents with whom she would like to maintain some level of contact.
