

Deborah

12/10/1992

Deborah has shoulder length dark hair and wears glasses. She is medium height. She is very cute young lady and is into doing her hair and make-up. Deborah can be thoughtful and helpful at times. Deborah has never been involved with sports, but does like to play outside, go sledding, go to movies and talk on the phone. Deborah loves animals and tamed a wild cat in her neighborhood. Deborah can be creative and she enjoys listening to music and singing. Deborah is MRDD and has an IQ of 71. She is on an IEP for academics and behavior. She has completed the tenth grade, but is functioning at a lower grade level. Deborah is currently placed in a foster home which is funded through the Individual Options Waiver through the Board of Developmental Disabilities. Due to Deborah being low-functioning, she will need a great deal of care. Deborah needs a forever family to be ready to accept her into their home. Deborah would like to maintain contact with some of her birth relatives.
